01

Introduction

Urinary incontinence is a problem, both physically, psychologically and socially. But in many cases surgery can be a definitive solution, resolving a large number of cases. This program is designed to provide the specialist with the latest surgical techniques, through the latest educational technology, so that he/she can care for the patient safely, thus improving his/her quality of life.

“

The new scenarios push us to propose new training programs that meet the real needs of the most experienced professionals, so that they can incorporate the advances that are taking place in the surgical practice of the urinary tract"

Incontinence affects the quality of life of those who suffer from it, becoming a source of embarrassment. These reasons mean that its real incidence is not known and that, for example, only 10% of women go to the urologist's office. Fortunately, it is susceptible to significant improvements and, even, its total overcoming with the advances achieved in recent years, both in diagnostic and therapeutic techniques, especially in surgical treatment.

Divided into stress, urgency, mixed and iatrogenic incontinence, this Postgraduate Diploma aims to review the most frequently used surgical techniques and also the most innovative ones used to solve this problem, ranging from those that use different types of mesh (fixed or adjustable) to those used to improve the symptoms of fullness, as well as artificial urinary sphincters, both in women and men.

The problem and also the solution is, in a good number of cases, multidisciplinary, especially in cases where there are prolapsed pelvic organs, a good understanding of the pelvic spaces and their structures being essential to offer the best solution.

This Postgraduate Diploma in Surgery of Urinary Incontinence and Pelvic Floor is focused on facilitating the updating of surgical procedures and techniques for the specialist, in a practical way through the latest educational technology.

This **Postgraduate Diploma in Surgery of Urinary Incontinence and Pelvic Floor** contains the most complete and up-to-date scientific program on the market.

The most important features include:

- Clinical cases presented by experts
- The graphic, schematic, and practical contents with which they are created, provide scientific and practical information on the disciplines that are essential for professional practice
- Diagnostic and therapeutic novelties on the care of the surgical nephrourological patient
- Presentation of practical workshops on procedures, diagnostic and therapeutic techniques in pelvic floor surgery, urinary tract and incontinence
- Video lessons on the different pathologies and their management
- An algorithm-based interactive learning system for decision-making in the clinical situations presented throughout the course
- Includes theoretical lectures, questions to the expert, discussion forums on controversial issues and individual reflection papers
- Content that is accessible from any fixed or portable device with an Internet connection

Scientific evidence increases the quality of medical care. Keeping up to date is key to providing better care for the patient with urologic problems"

“

This Postgraduate Diploma may be the best investment you can make when selecting a refresher program, for two reasons: in addition to updating your knowledge of pelvic floor surgery and urinary incontinence, you will obtain an expert degree from TECH Global University"

Its teaching staff includes leading urologists, who contribute their work experience to this training, in addition to other specialists belonging to prestigious scientific societies.

Thanks to its multimedia content elaborated with the latest educational technology, this Postgraduate Diploma will allow the professional a situated and contextual learning, that is, a simulated environment that will provide an immersive learning programmed to train in real situations.

This program is designed around Problem-Based Learning, whereby the physician must try to solve the different professional practice situations that arise throughout the program. This will be done with the help of an innovative interactive video system developed by renowned experts in urological surgery, with extensive teaching experience.

Incorporate the latest developments in pelvic floor surgery and urinary incontinence to your surgical practice and improve the prognosis of your patients.

It includes high definition images and real clinical cases to bring surgical practice as close as possible to the development of the program.

02

Objectives

The program is aimed at reviewing the main aspects of the current management of the patient undergoing urological surgery, based on scientific evidence and the experience of renowned professionals in the field of critical care.

“

This refresher program will generate a sense of security in the performance of incontinence and pelvic floor surgery, which will help you grow personally and professionally"

General Objectives

- Implement the main changes in urological anatomy surgical treatments
- Differentiate adrenal pathologies and correctly implement the different surgical techniques
- Recognize and distinguish the most common renal surgical pathologies to be able to implement the appropriate treatment
- Classify the upper urinary tract diseases to be able to implement the correct surgical treatment
- Recognize and distinguish the bladder diseases to apply the correct treatment
- Compare and contrast the surgical treatments in prostate diseases
- Interpret and justify the best treatment choice for a urethra surgical pathology
- Interpret and justify the best treatment choice for a scrotal and testicular surgical pathology
- Compare and contrast the different surgical treatments for urinary and pelvic floor incontinence
- Implement the latest innovations and developments in kidney transplant surgery
- Differentiate the different surgical techniques involved in renal vascular disease

Specific Objectives

Module 1. Latest Advances in Surgical Anatomy Laparoscopic Anatomy

- ♦ Correctly use endoscopic, radiologic and urodynamic examination techniques as well as the practice of prostate biopsies
- ♦ Update on basic perioperative management and instrumentation, and drainage of the urinary tract, as well as the basics in urology, laparoscopy in all its variants and robotics
- ♦ Review the indications, surgical techniques and limitations of lymphadenectomy for tumors of any urologic location, as well as the novel role immunofluorescence techniques play in these procedures

Module 2. Basic Aspects of Urologic Surgery

- ♦ Identify the indications, contraindications and access routes of renal diseases
- ♦ Explain the different nephrectomy techniques and methods of partial excision of tumors, as well as the details of laparoscopic or percutaneous focal treatment of renal masses
- ♦ Master the basic principles of laparoscopy, mini-laparoscopy and 3D imaging
- ♦ Delve into the development of single-port laparoscopic surgery

Module 3. Latest Advances in Diagnosis and Treatment Techniques in Urology

- ♦ Laparoscopic living donor nephrectomy. Hand-Assisted Nephrectomy
- ♦ Distinguish the different endoscopic techniques in urological surgery
- ♦ Explain the appropriate cases to use intravesical instillation drugs and which ones
- ♦ Interpret ecographic images as a diagnosis method in urology

Module 4. New Advances in the Surgical Treatment of Urinary / Pelvic Floor Incontinence

- ♦ Recognize the fundamental role of laparoscopic right adrenalectomy
- ♦ Identify the indications, techniques, contraindications, access routes, types of mesh, prostheses and other methods most frequently used in cases of stress incontinence in both women and men
- ♦ Describe the different types of urinary incontinence
- ♦ Compare and evaluate the treatment options in urinary incontinence in women
- ♦ Gain up-to-date knowledge of the techniques in surgical treatment of prolapses
- ♦ Analyze the limitations and indications of intravesical injection of botulinum toxin for the treatment of emergency urinary incontinence
- ♦ Review therapeutic options in urinary incontinence in males

Make the most of this opportunity and take the step to get up to date on the latest developments in Incontinence and Pelvic Floor Surgery"

03

Course Management

This program includes reference urologists in its teaching staff, who bring their work experience to this training. Additionally, other recognized specialists participate in its design and preparation, which means that the program is developed in an interdisciplinary manner.

“

Learn from leading professionals the latest advances in the approach to pelvic floor surgery and urinary incontinence"

International Guest Director

Dr. Andrew Jason Cohen is a world-renowned physician in the field of Urology. He is a clinical expert with more than a decade of practical experience in complex genitourinary reconstruction, demonstrating comprehensive management of erectile dysfunction, urinary incontinence, stricture diseases of the urinary system, Peyronie's disease, genital skin conditions, urinary detour and other benign urological pathologies. In addition, **he has been a reference in the field of Robotic Surgery** through the detailed study and application of the multiple techniques that are currently known.

He has managed to shape himself as such thanks to an extensive academic career of the highest level, which includes **two degrees with summa cum laude honors** (in Chemical Engineering and Medicine), as well as a PhD in the latter scientific branch. In addition, his excellence earned him a **Clinical Fellowship in Trauma and Reconstructive Surgery at the University of California, San Francisco School of Medicine**. On the other hand, his prestige has also been recognized by the Alpha Omega Alpha Honor Society, which has included him as a member.

In addition to all this, he has an extensive and multidisciplinary career in **international reference centers in the context of Urology**: specialist at Mitchell-Hyde Park Hospital, director of Urological Trauma and Reconstructive Surgery at the Brady Urological Institute at Bayview Medical Center and as director of Traumatology and Urological Reconstructive Surgery at the very important **Johns Hopkins Medicine**. In addition, he has authored dozens of research articles indexed in major scientific journals, activity that has combined, in turn, with teaching in several subjects of the Degree in Medicine and Surgery.

Dr. Cohen, Andrew Jason

- Director of Urological Trauma and Reconstructive Surgery at the Brady Urological Institute at Bayview Medical Centerd
- Assistant Professor of Urology
- Ph.D. in Medicine from the University of Chicago Pritzker School of Medicine
- B.S. in Chemistry and Chemical Engineering from the University of Florida (summa cum laude honors)
- M.D., University of Florida (summa cum laude honors)
- Urology Residency at Mitchell-Hyde Park Hospital, University of Chicago Medicine
- Clinical Fellowship in Trauma and Reconstructive Surgery at the University of California, San Francisco School of Medicine
- Member of Alpha Omega Alpha Honor Society
- Author of more than a dozen scientific articles indexed in PubMed

You will have access to a library of multimedia resources 7 days a week, 24 hours a day”

Dr. Moreno Sierra, Jesús

- Head of Urological Robotic Surgery at San Carlos Clinical Hospital
- President and Honorary Member of the Spanish Society of Laparoscopic and Robotic Surgery
- Researcher of the Foundations San Carlos Clinical Hospital
- Project evaluator in national agencies
- Editor of the Urology section of the SECLAEndosurgery journal
- PhD in Medicine from the Complutense University of Madrid
- Specialization studies at the Karolinska Institute in Stockholm, the European Telesurgery Institute in Strasbourg and the Alst Hospital in Brussels
- Postgraduate Diploma in Clinical Units by UNED Member of:
Board of Directors of the Spanish Association of Urology, Board of Directors of the Urological Society of Madrid, Editorial Committee of the Archivos Magazine

Dr. Ramírez Backhaus, Miguel Ángel

- ◆ Co-Director of Urosalud, Urology Unit of the Hospital Casa de Salud of Valencia
- ◆ Private activity at the Glorieta Clinic
- ◆ Assistant urologist at the IVO Foundation, subspecialized in Laparoscopic and Minimally Invasive Surgery
- ◆ Monitor and teacher of various courses and programs of Laparoscopic Surgery with Live Surgeries at national and international meetings
- ◆ Doctor "Cum Laude" from the University of Valencia
- ◆ Degree in Medicine from the University of Navarra
- ◆ Specialist in Urology La Fe University Hospital, Valencia
- ◆ Fellow in Laparoscopic Radical Prostatectomy at University Clinic Leipzig
- ◆ Master's Degree in Molecular Oncology at CNIO and CEB
- ◆ Member of the Editorial Committee of the scientific journal Spanish Archives of Urology"
- ◆ Member of the team of reviewers of the "International Journal of Urology" and "World Journal of Urology"
- ◆ Member of the Valencian , Spanish and Murcian Association of Urology
- ◆ Member of the International Association of Endourology and Laparoscopy

Dr. Fernández Arjona, Manuel

- ◆ Chief of the Urology Service of the HU of Henares
- ◆ Urologist at Fuensanta Hospital
- ◆ Urologist collaborating with the Institute of Sexual Medicine
- ◆ Author of more than 100 published in journals
- ◆ Teacher in postgraduate studies in Medicine
- ◆ PhD in Medicine and Surgery from the Autonomous University of Madrid
- ◆ Master's Degree in Hospital Management

Mr. Ruibal Moldes, Manuel

- ♦ Urology Specialist at Suture Clinic
- ♦ Head of the Urology Department at Pontevedre Hospital Complex (CHOP)
- ♦ Urology specialist at Polyclinic POVISA
- ♦ Degree in Medicine and Surgery from the Faculty of Medicine from the Santiago de Compostela University
- ♦ Specialist in Urology A Coruña Hospital Complex
- ♦ Master's Degree in Medical and Clinical Management UNED
- ♦ Stay at Jackson Memorial Hospital. University of Miami. Endourology and Urologic Oncology
- ♦ Stay at Mayo Clinic Jacksonville. Urological Oncology
- ♦ Stay at Erasme Hospital in Brussels. Urological Laparoscopy
- ♦ Member of the Spanish Association of Urology
- ♦ Member of the Galician Society of Urology

Dr. Coloma Del Peso, Almudena

- ♦ Urology Specialist with expertise in Pelvic Floor and Urethral Reconstructive Surgery
- ♦ Head of the Urogynaecological Pelvic Floor Unit of the Hospital Universitario del Henares
- ♦ Urologist at the Henares University Hospital
- ♦ Urologist specializing in Urogynecology at Lyx Urology
- ♦ Co-author of scientific publications related to Urology
- ♦ Teacher in university studies of Medicine
- ♦ Doctorate in Medicine from the Autonomous University Madrid

Dr. Pérez-Lanzac Lorca, Alberto

- ♦ Chief of the Urology Service at the Hospital Viamed Virgen de La Paloma
- ♦ Specialist of the Urology and Andrology Service at the Ruber Internacional Hospital
- ♦ Head of the Urology Unit at Beata Ana María Hospital
- ♦ Head of the Lithiasis, Urethral and Adrenal Unit of the Hospital Universitario Puerta del Mar
- ♦ Author of Multiple scientific articles
- ♦ Speaker at national and international medicine congresses
- ♦ Doctor in Medicine from the University of Cadiz
- ♦ Degree in Medicine from the University of Malaga
- ♦ Postgraduate in Laparoscopic Surgery by the Medical Care Center Irvine
- ♦ Member of Spanish Association of Urology, Andalusian Association of Urology, Spanish Society of Laparoscopy, European Association of Urology, American Urological Association

Dr. Brime Menéndez, Ricardo

- ♦ Physician and Consultant Specialist in Urology and Robotic Surgery
- ♦ Responsible for the Robotic Surgery Program at ROC Clinic
- ♦ Consultant in Robotic Surgery in HM Hospitales
- ♦ Urology Specialist at Hospital de la Princesa University Hospital, Madrid
- ♦ Doctorate in Medicine from the Autonomous University Madrid
- ♦ Degree in Medicine from the Complutense University of Madrid
- ♦ University Master's Degree in Prostate Cancer at the University of Salamanca
- ♦ Master's Degree in Uro-oncology at the San Pablo CEU University of Madrid
- ♦ Member of EAU, AEU, SUM

Dr. Sánchez González, José Vicente

- ♦ Resident Medical Intern at the Urology Department. University and Polytechnic Hospital La Fe, Valencia
- ♦ Scientific contributions from national and international congresses: Can a urine microRNA profile show diagnostic and prognostic value for clear cell renal disease? AUA, American Urological Association's, Diagnostic and prognostic value of circulating free DNA in urine in renal cell carcinoma. AUA, American Urological Association's, Identification of a urine microRNA profile with diagnostic and prognostic value for clear cell renal cell carcinoma. European Association of Urology
- ♦ Españoles de Urología, Research Council of the Bamberg Foundation

Dr. Leibar Tamayo, Asier

- ♦ Specialist Urology at La Paz Hospital
- ♦ Urology Specialist at Saint Helena Clinic
- ♦ Urology Specialist at Hospital Vithas Madrid Aravaca
- ♦ Specialist Urology at HM Montepíncipe
- ♦ Head of the Sexual Medicine Unit at the Galdácano Hospital in Vizcaya

Dr. Prera Vilaseca, Ángel

- ♦ Specialist in Urology and Minimally Invasive Techniques
- ♦ Urology Service Coordinator. Hospital Parc Taulí de Sabadell Sabadell
- ♦ President of the Female Functional Urology and Urodynamics Group
- ♦ Professor of the School of Laparoscopy
- ♦ Member of the Spanish Association of Urology

Dr. Pérez Ardavin, Javier

- ♦ Urology specialist at Quirónsalud Hospital
- ♦ Coordinator of the Uro-Oncology Section of the Francesc de Borja Hospital
- ♦ Author of publications specialized in uro-oncology, lithiasis and management
- ♦ Degree in Medicine from the University of Santiago de Compostela
- ♦ Master's Degree in Biostatistics from the University of Miguel Hernández de Elche
- ♦ Member of European Association of Urology

Dr. Redondo González, Enrique

- ♦ Physician attached to the Urology Service at the Hospital Clínico San Carlos
- ♦ Attending Physician at the Complutense University of Madrid
- ♦ Participation in book chapters:
- ♦ Kidney Tumors. Medical-Surgical Nurse. Editorial Tébar, S.L
- ♦ Utility of PSA-Complex in the diagnosis of prostate carcinoma. Spanish Urology Archives

Dr. Bachiller Burgos, Jaime

- ♦ Specialist in Urology expert in Urological Laparoscopy
- ♦ Chief of Urology Department at San Juan de Dios de Aljarafe Hospital
- ♦ Urologist at Hospital Quirónsalud Infanta Luisa
- ♦ Co-author of several scientific publications in specialized journals
- ♦ Teacher of specialized courses in Urological Laparoscopic Surgery
- ♦ Secretary General: of the Andalusian Urology Association

Dr. Ortolá Fortes, Paula

- ♦ Specialist in Pediatric Surgery
- ♦ Physician in the Pediatric Surgery Service of La Fe University and Polytechnic Hospital
- ♦ Author and co-author of several articles published in scientific journals

- ♦ Organizer at the National Medical Students Congress

Dr. Casanova Ramón-Borja, Juan

- ♦ Coordinator of the Early Diagnosis of Prostate Cancer Unit of the Clínica de Urología y Andrología Dr. Rubio
- ♦ Coordinator of the Informatics, Databases and Multimedia Unit
- ♦ Coordinator of Focal Therapy
- ♦ Degree in Medicine and Surgery from the University of Valencia
- ♦ Doctorate Courses in the Department of Surgery, Faculty of Medicine, University of Valencia
- ♦ Member of AUCV, AEU

Mr. Pascual Piedrola, Ignacio

- ♦ Specialist in Urology
- ♦ Director of the Department of Urology University Clinic of Navarra
- ♦ Principal investigator specializing in prostate cancer
- ♦ Lecturer in numerous national and international Conferences
- ♦ Author of scientific publications and essays and editor of the book Perspectivas históricas, presente y futuro de laparoscópica Urológica cirugía

Dr. Collado Serra, Argimiro

- ♦ Specialist in Urology
- ♦ Director of the Urology Unir, in Functional Foundation IVO, Madrid
- ♦ Author of dozens of scientific articles published in specialized journals
- ♦ Member of the Editorial Board of Spanish Archives of Urology

Dr. March Villalba, José Antonio

- ◆ Specialist in Pediatric Urology, La Fe University and Polytechnic Hospital
- ◆ PhD in Medicine from the University of Valencia
- ◆ Degree in Medicine and Surgery from the University of Valencia

Gutiérrez Baños, José Luis

- ◆ Chief of the Urology Department, Marqués de Valdecilla University Hospital
- ◆ Associate Professor of Urology, University of Cantabria
- ◆ Graduate in Medicine and Surgery from the University of Valladolid

Dr. Pérez-Seoane Ballester, Helena

- ◆ Urology specialist at San Juan Hospital
- ◆ Head of the Urothelial Tumor Unit at San Juan Hospital
- ◆ Urology specialist at Villajoyosa Hospital
- ◆ Urology specialist at San Juan de Alicante Hospital
- ◆ Urology specialist at Vinalopó Hospital
- ◆ Researcher in the EURCIS project
- ◆ Doctor of Medicine
- ◆ Master's Degree in clinical-surgical Research from the Miguel Hernández University

Dr. Gómez Ferrer Lozano, Álvaro

- ◆ Urology specialist at the Valencian Institute of Oncology
- ◆ Specialist in Urology at Lluís Alcanyís Hospital
- ◆ Specialist in Urology at La Fe University Hospital
- ◆ PhD in Medicine from the University of Valencia

Dr. Hevia Suarez, Miguel Ángel

- ♦ Head of Urology Section, Hospital Universitario Central de Asturias Oviedo
- ♦ Head of the Renal Transplant Unit of HUCA
- ♦ Head of the Living Donor Renal Transplant Program at HUCA
- ♦ Head of the Urology Unit of HUCA
- ♦ Associate Professor of Urology, University of Oviedo
- ♦ President of the Asturian Urological Society
- ♦ Doctor in Medicine and Surgery, University of Oviedo
- ♦ Degree in Medicine and Surgery from the University of Oviedo
- ♦ Specialist in Urology from Nuestra Señora de Covadonga Hospital of Alicante

Dr. Ballesterro Diego, Roberto

- ♦ Expert researcher in Urology
- ♦ FEA in Urology at the Marqués de Valdecilla University Hospital
- ♦ Researcher in the Research and Innovation in Surgery group of IDIVAL
- ♦ Principal investigator and collaborator in several clinical trials
- ♦ Author and co-author of several chapters in books related to Urology
- ♦ Author and co-author of dozens of scientific articles on Urology magazines
- ♦ Speaker at numerous Urology Congresses
- ♦ Teacher in university studies of Medicine and in training courses for doctors

Dr. Bahilo Mateu, Pilar

- ♦ Specialist in Urology expert in Lithotripsy
- ♦ Urologist in the University Hospital and Polytechnic La Fe
- ♦ Urologist at Hospital Quirónsalud Valencia
- ♦ Author and co-author of articles published in scientific journals

Dr. Alcaraz Asensio, Antonio

- ♦ Head of the Urology and Renal Transplant Department at Hospital Clínic de Barcelona
- ♦ Senior Consultant in Urology and Renal Transplantation at Barnaclínic+
- ♦ Head of the Transplant and Oncology Unit of the Urology Department of the Puigvert Foundation
- ♦ Director of the Renal Transplantation Office of the American Confederation of Urology
- ♦ President of the Transplant Section of the Spanish Urology Association
- ♦ Leader of the Urological Tumors and Genetics Research Group at the August Pi i Sunyer Biomedical Research Institute (IDIBAPS)
- ♦ Author of more than 100 international and national publications
- ♦ International speaker at many prestigious scientific meetings
- ♦ Member of the Royal Academy of Medicine of Catalonia
- ♦ Professor of Urology in the Department of Surgery at the University of Barcelona
- ♦ Member of the American Confederation of Urology, Spanish Association of Urology, Board of the European School of Urology, Scientific Committee of the European Association of Urology

Dr. López Celada, Susana

- ♦ Specialist in Radiodiagnostics, San Juan Clinical University Hospital
- ♦ Radiology and Magnetic Resonance Specialist in Inscanner (HCB)
- ♦ Specialist in Radiology at the International Hospitals Medimar, Vinalopó, Torreveja and General Universitario de Alicante
- ♦ Radiologist in Inscanner, S.L
- ♦ Degree in Medicine and Surgery from the University of Miguel Hernández de Elche
- ♦ Degree in Medicine and Surgery from the Complutense University of Madrid

Dr. González Cabezas, Pedro

- ♦ Head of the Nuclear Medicine Department, Vinalopó University Hospital
- ♦ Specialist in Nuclear Medicine at Quirónsalud Torrevieja Hospital
- ♦ Degree in Medicine from the University of Valencia
- ♦ Specialist in Nuclear Medicine at La Fe University Hospital
- ♦ Master's Degree in Healthcare Management, Catholic University of Valencia

Dr. Álvarez Rodríguez, Sara

- ♦ Specialist in Urology and Oncology
- ♦ Attending Physician of Urology . Ramón y Cajal University Hospital Madrid
- ♦ Resident Intern. Urology. Ramón y Cajal University Hospital
- ♦ Doctor of Medicine. Valladolid
- ♦ Degree in Medicine. Valladolid
- ♦ Master's Degree in Molecular Oncology. National Cancer Research Center
- ♦ Specialization Diploma in Urological Ultrasound. University of Zaragoza
- ♦ Certification of the Uro-Oncology Observatory
- ♦ University Health Network
- ♦ Member of the European Board of Urology

Dr .Rostagno, Román

- ♦ Interventional Vascular Radiologist. Vinalopó University Hospital
- ♦ Interventional Radiologist in Hospital Quirónsalud Torrevieja
- ♦ Physician at the service of Diagnostic Imaging. Quirónsalud Palmaplanas Hospital

Dr. Pérez Fentes, Daniel Adolfo

- ♦ Head of the Endourology and Lithiasis Unit of the Urology Service of the University Hospital Complex of Santiago de Compostela
- ♦ Founder and director of Medical Urologia
- ♦ Urology specialist at RosaledaHM
- ♦ Researcher in national and international research groups, and in competitive projects of the ISCIII and the European Union
- ♦ Training instructor in endourology and endourological surgery
- ♦ Author of numerous book chapters and articles in national and international medical journals
- ♦ Speaker in more than 100 courses and congresses worldwide
- ♦ PhD in Medicine and Surgery from the University of Santiago de Compostela
- ♦ Degree in Medicine and Surgery from the University of Santiago de Compostela
- ♦ Member of the Royal Academy of Medicine and Surgery of Galicia

Dr. Cansino Alcaide, Ramón

- ♦ Head of Section of Endourology and Lithiasis at Hospital Universitario La Paz
- ♦ Doctor Specialist in Urology at La Paz University Hospital
- ♦ Urologist at the University Hospital Vithas Madrid La Milagrosa
- ♦ Lecturer in Urology training courses and postgraduate studies
- ♦ Regular speaker at European and Spanish Urological Association Congresses
- ♦ Member of the International Urolithiasis Alliance
- ♦ PhD in Medicine and Surgery from the Autonomous University of Madrid

Dr. Subirá Ríos, David

- ♦ Head of the Robotic and Laparoscopic Unit. Gregorio Marañón University Hospital
- ♦ Head of the Oncological Urology Department La Zarzuela - Sanitas University Hospital
- ♦ Physician at the service of Laparoscopy, renal transplantation. Gregorio Marañón University Hospital
- ♦ Degree in Medicine and Surgery. Navarra University
- ♦ Specialist in Urology Gregorio Marañón University Hospital
- ♦ Attending Physician Complutense University of Madrid

Dr. Díez Nicolás, Víctor

- ♦ Urology FEA in the Renal Surgery and Transplant Unit of the Ramón y Cajal Hospital
- ♦ Specialist Urology Physician at Hospital Quirónsalud Madrid
- ♦ Clinical Teacher in university studies
- ♦ Author and coauthor of 9 book chapters
- ♦ Author and co-author of 18 publications
- ♦ Speaker at more than 80 Urology Congresses at national and international level
- ♦ Accreditation of Robotic Surgery with Da Vinci - Intuitive system

Dr. Peri Cusi, Lluís

- ♦ Head of Functional and Reconstructive Urology Section, Hospital Clínic de Barcelona
- ♦ Coordinator of the Functional and Reconstructive Urology Section of the Catalan Society of Urology
- ♦ Researcher in the project "Clinical Validation of the Surgical Robot"
- ♦ Author of several national and international books and book chapters
- ♦ Co-author of the development of the micturition diary as a mobile application eDM3D
- ♦ Doctor of Medicine from the University of Barcelona
- ♦ Degree in Medicine from the University of Barcelona
- ♦ Member of Sociedad Iberoamericana de Neurología y Uro Ginecología (SINUG, EAU Section of Transplantation, Grupo de Trabajo de Trasplante Renal y Urología, Femenina, Funcional y Urodinámica de la Sociedad Española de Urología, Sociedad Catalana de Urología, Sociedad Europea de Urología, European Society of Urology

Dr. Fernández González, Inmaculada

- ♦ Doctor specialized in Urology
- ♦ Head of the Urology team at Complejo Hospitalario Ruber Juan Bravo
- ♦ Urologist at Quirón San Camilo Hospital
- ♦ Urology at La Princesa University Hospital
- ♦ Author of numerous scientific articles from Urology
- ♦ Teacher Associate in university studies

Dr. Cecilia Bernal, Vanesa

- ♦ Urology Nurse. Vinalopó University Hospital Elche

Dr. Benejam Gual, Joan

- ♦ Head of the Urology Department in Fundación Manacor Hospital
- ♦ Urologist at Juaneda Clinic
- ♦ Urologist at Fertility Center
- ♦ Urologist at Inca
- ♦ Principal investigator and collaborator in several projects on Urology
- ♦ Doctor in Health Sciences, University of Balearic Islands
- ♦ Postgraduate Certificate in Laparoscopic Urological Surgery from the University of Strasbourg
- ♦ Winner Urology Service Foundation Hospital de Manacor to the best Patient Service

Dr. Hevia Palacios, Vital

- ♦ Head of the Kidney Unit at ROC Clinic
- ♦ Specialist in Urology at HM Sanchinarro Hospital
- ♦ Urology Specialist in the Hospitalization Unit and Cardio-Diabetes Unit at the Ramón y Cajal University Hospital
- ♦ Doctor of Medicine and Surgery from the University of Alcalá
- ♦ Degree in Medicine from the University of Oviedo
- ♦ Specialist in Urological Ultrasound from the University of Zaragoza
- ♦ Member of the Spanish Urological Association, American Urological Association, Surgical Research Group in Urology and Renal Transplantation of the Ramón y Cajal Institute for Health Research

Dr. Papatsoris, Athanasios Ass

- Urological Surgery Specialist at the General Hospital Sismanoglio
- Consultant in Urology at the Royal London Hospital
- Scientific Collaborator at the European University of Cyprus
- Councilor of the Oncological Urology Section of the European Association of Urology
- Secretary of the Hellenic Urological Association
- Secretary General of the Hellenic Genito-Urinary Cancer Group
- Secretary General of U-Merge (Urology in Emerging Countries)
- Vice-Chairman of the EBU Review Committee
- Author of more than 300 published scientific articles
- Speaker at international congresses, workshops and courses
- Doctor of Medicine from the University of Athens
- Degree in Medicine from the University of Patras
- Master in Health Management from the Hellenic Open University
- Board Member of uCARE SIU, SIU Academy Endourology, Board of the IUA, Board of the IMBE, Board of the Scientific Committee of the European Medical Association, Editorial Board of more than 30 medical journals

Dr. Torrecilla Ortiz, Carlos

- Specialist in Urology at Clínica Delfos, Hospital de Bellvitge
- National Coordinator of Lithiasis of the Spanish Association of Urology
- Degree in Medicine and Surgery
- Specialist in Urology

Dr. Castellón Vela, Ignacio

- ◆ Urologist specializing in Laparoscopy, Robotic Surgery, Urological Oncology and Renal Transplantation at the Hospital Nuestra Señora del Rosario in Madrid
- ◆ Specialist in Urology, HU Puerta de Hierro Majadahonda
- ◆ Specialist in Urology, HU Madrid Torrelodones
- ◆ Urologist Responsible for the Laparoscopic Surgery Program at the Hospital Clínico San Carlos
- ◆ Specialist in Renal and Pancreatic Transplants at the National Institute of Transplantation in Los Angeles (USA)
- ◆ PhD in Medicine and Surgery from the Autonomous University of Madrid
- ◆ Degree in Medicine from the Autonomous University Madrid
- ◆ Master's Degree in Medical Management and Clinical Management by the UNED
- ◆ Postgraduate Diploma in e-learning 2.0, e-learning and on-line training

Dr. Domínguez Escrig, José Luis

- ◆ Researcher and Specialist in Urology
- ◆ Co-founder and co-director of Urosalud
- ◆ Urology specialist at Urosalud
- ◆ Principal investigator in the Urology Service of the Valencian Institute of Oncology
- ◆ Lecturer and researcher at international universities
- ◆ Participation in 3 books and more than 30 scientific publications
- ◆ Speaker in more than 20 national and international congresses
- ◆ Deputy Editor-in-Chief of the Spanish Journal of Oncology Research Groups
- ◆ Doctor of Medicine from the University of Newcastle

Dr. Caballero Romeu, Juan Pablo

- ♦ Urologist at Alicante General University Hospital
- ♦ Specialist in Urology at the General University Hospital of Elche
- ♦ Urology Specialist at Monumental Clinic
- ♦ Urology specialist at Vithas Medimar Hospital
- ♦ Collaborating researcher in several R&D projects
- ♦ Author of several scientific publications
- ♦ Doctor of Medicine from the University Miguel Hernández
- ♦ Master CAP AEU-University of Salamanca in Advanced Prostate Cancer
- ♦ Master in Integral Medical and Surgical Management of Localized, Advanced and Metastatic Renal Cancer by AEU-University of Salamanca

Dr. Arrabal Martín, Miguel

- ♦ Director of the Urology Clinical Management Unit at UH San Cecilio
- ♦ FEA in Urology at the San Cecilio University Hospital
- ♦ FEA in Urology at the Valme University Hospital
- ♦ Professor in undergraduate and postgraduate university studies related to Medicine
- ♦ Author of hundreds of scientific articles related to his specialty
- ♦ President of the Andalusian Association of Urology
- ♦ Doctor of Medicine and Surgery

Dr. Juárez Soto, Álvaro

- ♦ Chief of the Urology Service of the Hospital de Jerez
- ♦ National Coordinator of the Urological Oncology Group of the Spanish Association of Urology
- ♦ Vicepresident of the Andalusian Association of Urology

Dr. Martínez-Salamanca, Juan Ignacio

- ♦ Founder and Medical Director of Lyx Institute of Urology
- ♦ Chief of the Urology Department, Virgen del Mar Hospital
- ♦ Specialist in Urology at the Puerta De Hierro University Hospital
- ♦ PhD in Medicine and Surgery from the Autonomous University of Madrid
- ♦ Degree in Medicine and Surgery from the Complutense University of Madrid
- ♦ Urology Specialist at Gregorio Marañón University Hospital
- ♦ Master's Degree in Health Services Administration and Management from Pompeu Fabra University
- ♦ Surgical Leadership Program at Harvard Medical School
- ♦ Fellow in Urology, Robotics and Sexual Medicine at Cornell University

Dr. Buchholz, Noor

- ♦ Founding Director and Medical Educator of U-Merge in London and Dubai
- ♦ Director of Endourology and Stone Service at The Royal London Hospital
- ♦ Professor of Urology at University of Aga Khan
- ♦ Doctorate in Medicine from the Bern University of Applied Sciences
- ♦ Degree in Medicine from the University of Münster
- ♦ Master's Degree in Urology at the University of Basilea
- ♦ Postgraduate Research on Micromolecules of the urinary crystalline matrix

Dr. Blasco Beltrán, Benjamín

- ♦ Specialist in Urology
- ♦ Chief of Urology Department University Clinical Hospital Lozano Blesa
- ♦ Co-author of diverse articles published in scientific journals
- ♦ Teacher in postgraduate programs

Dr. Povo Martin, Iván

- ◆ Specialist in Pediatric Urology
- ◆ Head of the Urethra Unit. General University Hospital Complex in Valencia
- ◆ Head of the Pediatric Urology Unit. General University Hospital Complex in Valencia
- ◆ Specialist of the Prostate and Stui (Lower Urinary Tract) Section. General University Hospital Complex in Valencia
- ◆ Specialist in Pediatric Urology, La Fe University and Polytechnic Hospital Valencia
- ◆ Degree in Medicine and Surgery from the University of Valencia
- ◆ Urology Specialist Degree
- ◆ Diploma of Advanced Studies and Phd Courses from the Autonomous University of Barcelona
- ◆ Fellow of the European Board of Management by the EBU
- ◆ Master's Degree in Quantitative and Analytical Methods for Evidence-Based Medicine by the UNED (Spanish National University of Distance Education)
- ◆ Master's Degree in Pediatric Urology from the International University of Andalusia
- ◆ University Master's Degree in Prostate Cancer at the University of Salamanca

Dr. Sáiz Marengo, Rocío

- ◆ Assistant physician to the Urology service at the University Hospital of Jerez de la Frontera. Cádiz, Spain
- ◆ Researcher at the University of Cadiz
- ◆ Publications: Abiraterone in Castration-Resistant Prostate Cancer, Archivos Españoles de urología, Prostatectomy, Erector Nerves (EN) and Erectile Dysfunction (ED). Editorial University of Seville

Dr. Placer Santos, José

- ◆ Specialist in Urology at Dexeus University Institute
- ◆ Associate Professor at Autonomous University of Barcelona
- ◆ PhD in Surgery, Autonomous University of Barcelona
- ◆ Specialist in Urology
- ◆ Degree in Medicine and Surgery from the University of Cantabria
- ◆ Resident Urology Intern at the Hospital del Mar - Hospital de l'Esperança of Barcelona
- ◆ Assistant Physician specializing in Urology at Hospital del Mar - Hospital de l'Esperança of Barcelona
- ◆ Associate Physician specializing in Urology at the University Hospital Vall d'Hebron of Barcelona
- ◆ Associate Physician specialist in Urology at Hospital Quirón - Dexeus of Barcelona
- ◆ Member of the Spanish Association of Urology
- ◆ Member of the European Association of Urology
- ◆ Member of the Official College of Physicians of Barcelona

Dr. Cecchini Rosell, Lluís

- ◆ Chief of Urology Service at the Hospital del Mar in Barcelona
- ◆ Urology Specialist via MIR at the Hospital Universitari Germans Trias i Pujol of Badalona
- ◆ Member of the jury of the Pérez Castro Awards of the journal Archivos Españoles de Urología
- ◆ Associate Professor of the Faculty of Medicine UAB-UPF (Campus Mar)
- ◆ Doctor Cum Laude in Medicine and Surgery by the UAB with excellent qualification
- ◆ Degree in Medicine and Surgery from the Autonomous University of Barcelona

Dr. López Alcina, Emilio

- ♦ Head of the prostatic pathology Unit at UROMED
- ♦ Specialist in Urology at INUVA Centers
- ♦ Chief of the Urology Department, at Valencia University Hospital
- ♦ Member of the Scientific Committee of the CHGUV Foundation
- ♦ PhD in Medicine and Surgery from the University of Valencia
- ♦ Degree in Medicine and Surgery from the University of Valencia
- ♦ Specialist in Urology at La Fe University Hospital
- ♦ Postgraduate in Urodynamics from the University of Valencia
- ♦ Master's Degree in- Urology and Urodynamics from the University of Valencia
- ♦ Master's Degree in Medical Management and Clinical Management by the Carlos III Health Institute
- ♦ Practical Stay in the Interventional and Minimally Invasive Prostate Urology Service at the University College of London Hospital

Dr. Serrano Durba, Agustín

- ♦ Specialist in Pediatric Urology, La Salud Hospital
- ♦ PhD in Medicine and Surgery from the University of Valencia
- ♦ Specialist in Child Urology. University of Valencia
- ♦ Fellow of the European Academy of Child Urology of Hospital La Salud
- ♦ Member of the Editorial Committee of the Spanish Urological Journals
- ♦ Member of the Spanish Association of Urology of the Community of Valencia
- ♦ European Association of Pediatric Urology

- ◆ Head of the Section of Pediatric Urology of the University Hospital and Polytechnic La Fe of Valencia
- ◆ National Coordinator of Pediatric Urology of the Spanish Association of Urology and Spanish Group of Pediatric Urology

Dr. Rodríguez Caraballo, Lucía

- ◆ Pediatric Urology Department. La Fe Polytechnic and University Hospital, Valencia
- ◆ Resident Internist in Pediatric Surgery, Hospital La Fe, Valencia
- ◆ Contributor to the Journal Pediatrics Primary Care, Spanish Association of Primary Care Pediatrics
- ◆ Author and co-author of several published in scientific journals

Dr. Miñana López, Bernardino

- ◆ Director of the Department of Urology University Clinic of Navarra
- ◆ Director of the Prostate Center of the Clínica Universidad de Navarra
- ◆ Chief of Urology, Morales Meseguer University Hospital
- ◆ Director of the Mediterranean Urological Corporation
- ◆ Director of the Urology Research Group of the UCAM Degree of Medicine
- ◆ PhD in Medicine from the Complutense University of Madrid
- ◆ Degree in Medicine and Surgery from the Literacy University of Valencia

Dr. Gómez Pérez, Luis

- ◆ Specialist in Urology, San Juan University Hospital
- ◆ Urology Specialist at Hospital Vithas Perpetuo Socorro
- ◆ PhD in Medicine from the University of Valencia
- ◆ Degree in Medicine from the University of Miguel Hernández de Elche

Dr. Fernández Pascual, Esaú

- ♦ FEA of Urology at the University Hospital La Paz
- ♦ Assistant Urology Physician at Lyx Urology Institute
- ♦ Author of diverse articles published in scientific journals
- ♦ Member of AEU, SUM, EAU

Dr. Campos Juanatey, Félix

- ♦ Researcher and Specialist in Urology
- ♦ Assistant Urology Physician at the Marqués de Valdecilla University Hospital
- ♦ Honorary Clinical Fellow in Reconstructive Urology at University College London Hospitals NHS Foundation Trust
- ♦ Expert researcher in Urology
- ♦ Author of hundreds of scientific articles related to his specialty
- ♦ Diploma in Research Capacity by the Department of Medicine and Surgery of the Faculty of Medicine of the University of Cantabria
- ♦ FEBU Diploma
- ♦ Master's Degree in Design and Statistics in Health Sciences from the Autonomous University of Barcelona
- ♦ Best Urological Communication presented at the X National Congress of the Spanish Society of Laparoscopic Surgery

Dr. Rioja Zuazu, Jorge

- ♦ Urology Specialist at Sagasta Polyclinic
- ♦ Physician in the Medical Oncology Service, Miguel Servet de Zaragoza University Hospital
- ♦ Urologist at the Aragonese Institute of Advanced Urology
- ♦ Urologist at the Miguel Servet's University Hospital

- ♦ Degree in Medicine from the University of Zaragoza
- ♦ PhD in Medicine from the University of Navarra
- ♦ PhD in Molecular Biology of bladder tumors. Navarra University
- ♦ Specialization in Urology in the Department of Clinical Urology at the University of Navarra
- ♦ Scientific Director at iURO - Urological Education
- ♦ Coordinator in Spain AIS Channel AIS Urology Board Member AIS Country

Dr. Arlandis Guzmán, Salvador

- ♦ Scientific Coordinator of the Clinical Area of Nephrology and Urology of the Hospital Universitario y Politécnico La Fe
- ♦ Assistant physician of the Reconstructive and Functional Urology Service of the Hospital Universitario y Politécnico La Fe
- ♦ Principal investigator and collaborator in clinical trials
- ♦ Author of hundreds of scientific articles at national and international congresses
- ♦ Author of hundreds of articles in scientific publications
- ♦ Author of dozens of book chapters and several full-length books
- ♦ Teacher in university studies related to Medicine
- ♦ President of Iberoamerican Society of Neurourology and Urogynecology
- ♦ Member of the Board of Directors of Spanish Association of Urology
- ♦ Regular participant in seminars, lectures and round tables

Dr. Fernández Montarroso, Lorena

- ♦ Urology Specialist expert in Laparoscopic Surgery
- ♦ Assistant physician in Urology at the University Hospital of Henares
- ♦ Urologist in the General Hospital of Segovia

- ♦ Urologist at Boadilla Mediacentro
- ♦ Author of several articles published in scientific journals
- ♦ Internship teacher for undergraduate medical students
- ♦ PhD in Medicine and Surgery from the Complutense University of Madrid
- ♦ Master's Degree in Research Methodology: Design and Statistics in Health Sciences from Autonomous University of Barcelona
- ♦ University Expert in Minimally Invasive Surgery from the Complutense University of Madrid

Dr. Duarte Ojeda, José

- ♦ Urology Specialized at 12 de Octubre University Hospital
- ♦ Urologist at 12 de Octubre University Hospital
- ♦ Urologist at La Luz Clinic
- ♦ Urologist at Nuestra Señora de Covadonga del Rosario Hospital
- ♦ Practical teaching collaborator with undergraduate medical students
- ♦ Collaborative investigator in more than 15 clinical trials
- ♦ Author or co-author of more than 200 communications to congresses of Urology
- ♦ Author and co-author of more than 75 journal articles and book chapters related to the specialty
- ♦ Speaker at more than 65 Urology congresses and seminars
- ♦ Doctor of Medicine and Surgery, from the Complutense University of Madrid
- ♦ Graduate in Urological Oncology CEU from the Universidad Cardenal Herrera

Dr. Moncada Iribarren, Ignacio

- ♦ Chief of the Urology Department, Sanitas La Zarzuela University Hospital
- ♦ Director of the Institute of Robotic Surgery of La Zarzuela University Hospital
- ♦ Director of the Andrology Unit of the Gregorio Marañón General University Hospital

- ♦ President of the Spanish Association of Andrology and Sexual Medicine (ASESA)
- ♦ Degree in Medicine and Surgery from the University of Zaragoza
- ♦ Urology Specialist at Gregorio Marañón General: University Hospital
- ♦ Fellowship in Transexual Surgery in London
- ♦ Fellowship in Erectile Dysfunction at Boston University Clinical Center
- ♦ Member of the Steering Committee of the European Society of Genito-urinary Reconstructive Surgery (ESGURS), Expert Panel of the Clinical Guidelines on Male Sexual Dysfunction

Dr. Escribano Patiño, Gregorio

- ♦ Specialist in Urology
- ♦ Specialist in the Neurology Department of the Gregorio Marañón General University Hospital
- ♦ Urology Specialist at the Urology and Lithiasis Service of the Ruber Internacional Hospital
- ♦ Researcher in several clinical trials related to Urology
- ♦ Author or co-author of more than 100 communications to congresses of Urology
- ♦ Author of 450 scientific talks at national and international congresses
- ♦ Teacher in postgraduate studies in Medicine
- ♦ Doctor of Medicine and Surgery, from the Complutense University of Madrid
- ♦ Internships in numerous international centers

Ms. Ponce Blasco, Paula

- ♦ Specialist in Urology
- ♦ Specialist in Urology at the General University Hospital of Castellón
- ♦ Author of several scientific publications on Urology
- ♦ Teacher in medical training courses about Oncology

Dr. Galante Romo, María Isabel

- ♦ Urology Specialist expert in Robotics Surgery
- ♦ Doctor Specialist in Urology at San Carlos Clinical Hospital
- ♦ Urology Specialist at the Urology and Lithiasis Service of the Ruber Internacional Hospital
- ♦ Researcher in the Urology, Oncology and New Technologies Research Group of the Institute of Biomedical Research
- ♦ Author in more than 20 published scientific articles. Assistant Urology
- ♦ Teacher in university studies of Medicine
- ♦ Master's Degree in Urological Oncology by CEU Cardenal Herrera Oria

Dr. Esteban Fuertes, Manuel

- ♦ Head of the Urology department at Paraplegics National Hospital Toledo
- ♦ Assistant Physician in the Urology Department at Principe de Asturias Hospital
- ♦ President of the Spanish Association of Urology
- ♦ President of the Foundation for Urology Research
- ♦ Coordinator of the Female Functional Urology Group
- ♦ Author of more than 45 articles published in scientific journals
- ♦ Doctor of Medicine and Surgery, from the Complutense University of Madrid
- ♦ Expert in Management of Clinical Units by Carlos III University

Dr. Valle González, Francisco

- ♦ Attending physician and head of the Urology Department of the Valle del Nalón Hospital
- ♦ Resident physician in the emergency department. San Agustín de Avilés
- ♦ Member of the associations:
- ♦ Spanish Urology Association

- ♦ European Association of Urology
- ♦ SEGO, Spanish Society of Gynecology and Obstetrics
- ♦ Asturian Urology Association
- ♦ National Award from the National Association of Urology

Dr. Fabuel Alcañiz, José Javier

- ♦ Specialist in Urology
- ♦ Resident Physician in Urology at Ramón y Cajal Hospital
- ♦ Author of several scientific publications related to Urology
- ♦ Specialization in Clinical Research Methodology for Residents from the University of Alcalá

Dr. Martínez Arcos, Laura

- ♦ Urology Specialist, Vinalopó University Hospital
- ♦ Specialist in Urology at Ramón y Cajal Hospital
- ♦ Specialist in Urology SESCOAM
- ♦ Degree in Medicine. from the University of Castilla La Mancha
- ♦ Specialist in Clinical Research Methodology for Residents from the University of Alcalá

Dr. Soler Catalán, Pablo

- ♦ Head of Radiation Oncology Service IMED Hospitals
- ♦ Assistant Physician in Oncology Radiotherapy. IMED Hospitals
- ♦ Radiation Oncology Physician. University of Valencia
- ♦ Degree in Medicine and Surgery. Navarra University
- ♦ Resident Intern. Valencian Institute of Oncology Foundation

Dr. Morán Pascual, Eduardo

- ♦ Specialist in the Reconstructive and Functional Urology Section of Hospital La Fe
- ♦ Specialist in Urology MyMedica
- ♦ PhD in Medicine from the University of Valencia
- ♦ Degree in Medicine and Surgery from the University of Valencia

Dr. Luján Marcos, Saturnino

- ♦ Specialist in Urology, La Fe University and Polytechnic Hospital
- ♦ Urology specialist at the Valencian Institute of Infertility
- ♦ PhD in Medicine from the University of Valencia
- ♦ Degree in Medicine and Surgery from the University of Valencia
- ♦ Fellowship in Men's Reproductive Health at the University of Illinois

Romero Maroto, Jesús

- ♦ Chief of Urology Service. San Juan University Hospital
- ♦ Professor of Urology at the University Miguel Hernández
- ♦ Member of the Association of Urology of the Valencian Community

Dr. Polo Rodrigo, Alba

- ♦ Specialist in Pediatric and Adult Urology
- ♦ Specialist in Urology, La Fe University and Polytechnic Hospital
- ♦ Author of dozens of scientific publications on his medical specialty

Dr. Moralejo Gárate, Mercedes

- ♦ Urology Specialist at Gregorio Marañón University Hospital
- ♦ Urology Specialist at Hospital Vithas Madrid Aravaca
- ♦ Degree in Medicine from the University of Santiago de Compostela

- ♦ Urology Specialist at Gregorio Marañón General: University Hospital
- ♦ Fellowship in Laparoscopic and Minimally Invasive Surgery at the Cleveland Clinic of Ohio

Dr. Pereira Arias, José Gregorio

- ♦ Head of the Robotic Surgery Unit at Clínica Bilbao SL Urology Clinic at IMQ Zorrotzaurre Clinic
- ♦ Medical specialist in Oncological Surgery for the treatment of urological tumor pathology
- ♦ Clinical Chief of the Hospital de Galdakao Usansolo
- ♦ Head of the Urology Department of the San Eloy Hospital

Dr. García Seguí, Alejandro José

- ♦ Coordinator of the Advanced Prostate Cancer Unit at the Hospital General Universitario de Elche
- ♦ Urology Specialist at Clínica Quirónsalud Gran Alacant
- ♦ Specialist in Urology at Quirónsalud Torre Vieja Hospital
- ♦ Urology Specialist, Vinalopó University Hospital
- ♦ Doctorate in Biomedicine and Health Sciences, European University
- ♦ Degree in Medicine from the Central University of Venezuela
- ♦ Specialty in Urology at the General Hospital of the West Dr. José Gregorio Hernández

Dr. Portillo Martín, José Antonio

- ♦ Urology Specialist, Marqués de Valdecilla University Hospital
- ♦ Author of hundreds of scientific articles related to his specialty

04

Structure and Content

The contents structure has been designed by a team of specialists knowledgeable about the implications of training in surgical practice in urology, aware of the relevance of the current relevance of training to be able to act in front of the patient and committed to quality teaching through new educational technologies.

“

The Postgraduate Diploma in Surgery of Urinary Incontinence and Pelvic Floor includes the most complete and up-to-date scientific program on the market”

Module 1. Latest Advances in Surgical Anatomy Laparoscopic Anatomy

- 1.1. Upper Surgical Anatomy
- 1.2. Anatomy of Retroperitoneal Compartments
- 1.3. Lower Surgical Anatomy
- 1.4. Surgical Anatomy of the Pelvic Floor

Module 2. Basic Aspects of Urologic Surgery

- 2.1. Basic Perioperative Aspects
- 2.2. Instrumentation and Drainage of the Urinary Tract
- 2.3. Basic Principles of Endourology
- 2.4. Basic Principles in a Laparoscopy, Minilaparoscopy and 3D
- 2.5. Basic Principles in Robot Assisted Laparoscopic Surgery
- 2.6. Basic Principles in Single Port Laparoscopic Surgery /NOTES

Module 3. Latest Advances in Diagnostic and Therapeutic Techniques in Urology

- 3.1. Intravesical Instillation of Drugs
- 3.2. Penile Ultrasound / Penile Doppler
- 3.3. Testicular Ultrasound / Testicular Doppler
- 3.4. Prostate Ultrasound
- 3.5. Pyelography
- 3.6. Flexible Cystoscopy
- 3.7. Adult Urodynamic Study
- 3.8. Pediatric Urodynamic Study
- 3.9. Prostate Biopsy
- 3.10. Multiparametric MRI
- 3.11. Bone Scanning
- 3.12. PET-CAT
- 3.13. Isotopic Renogram

Module 4. New Advances in the Surgical Treatment of Urinary / Pelvic Floor Incontinence

- 4.1. Urinary Incontinence in Women
 - 4.1.1. Stress Urinary Incontinence
 - 4.1.1.1. Suburethral Meshes (TOT, TVT)
 - 4.1.1.2. Single Incision Meshes (minislings)
 - 4.1.1.3. Autologous Sling
 - 4.1.1.4. Adjustable Meshes (TOA, TVA, Remeex)
 - 4.1.1.5. Space-occupying Agents
 - 4.1.1.6. Artificial Urinary Sphincter
 - 4.1.1.7. Stress Urinary Incontinence Treatment
 - 4.1.2. Emergency Urinary Incontinence
 - 4.1.2.1. Intravesical Botulinum Toxin Injection
 - 4.1.2.2. Neuromodulation: Tibial and NM Sacral Stimulation
- 4.2. Treatment of Vesico-Vaginal Fistula
 - 4.2.1. Pelvic floor management in the correction of vesicovaginal, enterovesical and rectovaginal fistulas
 - 4.2.2. Transvesical Fistulectomy
 - 4.2.3. Laparoscopic Repair of Vesico-Vaginal Fistulas
- 4.3. Pelvic Prolapse Surgery
 - 4.3.1. Surgical Treatment of Pelvic Organ Prolapse
 - 4.3.1.1. General Aspects
 - 4.3.1.2. Cystocele Correction
 - 4.3.1.3. Middle and Posterior Compartment Surgery
 - 4.3.2. Transvaginal Mesh Repair Surgery
 - 4.3.3. Laparoscopic Colposacropexy
- 4.4. Urinary Incontinence Surgery in Males

05

Methodology

This academic program offers students a different way of learning. Our methodology uses a cyclical learning approach: **Relearning**.

This teaching system is used, for example, in the most prestigious medical schools in the world, and major publications such as the **New England Journal of Medicine** have considered it to be one of the most effective.

“

Discover Relearning, a system that abandons conventional linear learning, to take you through cyclical teaching systems: a way of learning that has proven to be extremely effective, especially in subjects that require memorization"

At TECH we use the Case Method

What should a professional do in a given situation? Throughout the program, students will face multiple simulated clinical cases, based on real patients, in which they will have to do research, establish hypotheses, and ultimately resolve the situation. There is an abundance of scientific evidence on the effectiveness of the method. Specialists learn better, faster, and more sustainably over time.

With TECH you will experience a way of learning that is shaking the foundations of traditional universities around the world.

According to Dr. Gérvas, the clinical case is the annotated presentation of a patient, or group of patients, which becomes a "case", an example or model that illustrates some peculiar clinical component, either because of its teaching power or because of its uniqueness or rarity. It is essential that the case is based on current professional life, trying to recreate the real conditions in the physician's professional practice.

“

Did you know that this method was developed in 1912, at Harvard, for law students? The case method consisted of presenting students with real-life, complex situations for them to make decisions and justify their decisions on how to solve them. In 1924, Harvard adopted it as a standard teaching method”

The effectiveness of the method is justified by four fundamental achievements:

1. Students who follow this method not only achieve the assimilation of concepts, but also a development of their mental capacity, through exercises that evaluate real situations and the application of knowledge.
2. Learning is solidly translated into practical skills that allow the student to better integrate into the real world.
3. Ideas and concepts are understood more efficiently, given that the example situations are based on real-life.
4. Students like to feel that the effort they put into their studies is worthwhile. This then translates into a greater interest in learning and more time dedicated to working on the course.

Relearning Methodology

At TECH we enhance the case method with the best 100% online teaching methodology available: Relearning.

This university is the first in the world to combine the study of clinical cases with a 100% online learning system based on repetition, combining a minimum of 8 different elements in each lesson, a real revolution with respect to the mere study and analysis of cases.

Professionals will learn through real cases and by resolving complex situations in simulated learning environments. These simulations are developed using state-of-the-art software to facilitate immersive learning.

At the forefront of world teaching, the Relearning method has managed to improve the overall satisfaction levels of professionals who complete their studies, with respect to the quality indicators of the best online university (Columbia University).

With this methodology, more than 250,000 physicians have been trained with unprecedented success in all clinical specialties regardless of surgical load. Our pedagogical methodology is developed in a highly competitive environment, with a university student body with a strong socioeconomic profile and an average age of 43.5 years old.

Relearning will allow you to learn with less effort and better performance, involving you more in your specialization, developing a critical mindset, defending arguments, and contrasting opinions: a direct equation to success.

In our program, learning is not a linear process, but rather a spiral (learn, unlearn, forget, and re-learn). Therefore, we combine each of these elements concentrically.

The overall score obtained by TECH's learning system is 8.01, according to the highest international standards.

This program offers the best educational material, prepared with professionals in mind:

Study Material

All teaching material is produced by the specialists who teach the course, specifically for the course, so that the teaching content is highly specific and precise.

These contents are then applied to the audiovisual format, to create the TECH online working method. All this, with the latest techniques that offer high quality pieces in each and every one of the materials that are made available to the student.

Surgical Techniques and Procedures on Video

TECH introduces students to the latest techniques, the latest educational advances and to the forefront of current medical techniques. All of this in direct contact with students and explained in detail so as to aid their assimilation and understanding. And best of all, you can watch the videos as many times as you like.

Interactive Summaries

The TECH team presents the contents attractively and dynamically in multimedia lessons that include audio, videos, images, diagrams, and concept maps in order to reinforce knowledge.

This exclusive educational system for presenting multimedia content was awarded by Microsoft as a "European Success Story".

Additional Reading

Recent articles, consensus documents and international guidelines, among others. In TECH's virtual library, students will have access to everything they need to complete their course.

Expert-Led Case Studies and Case Analysis

Effective learning ought to be contextual. Therefore, TECH presents real cases in which the expert will guide students, focusing on and solving the different situations: a clear and direct way to achieve the highest degree of understanding.

Testing & Retesting

We periodically evaluate and re-evaluate students' knowledge throughout the program, through assessment and self-assessment activities and exercises, so that they can see how they are achieving their goals.

Classes

There is scientific evidence on the usefulness of learning by observing experts. The system known as Learning from an Expert strengthens knowledge and memory, and generates confidence in future difficult decisions.

Quick Action Guides

TECH offers the most relevant contents of the course in the form of worksheets or quick action guides. A synthetic, practical, and effective way to help students progress in their learning.

06 Certificate

The Postgraduate Diploma in Urinary Incontinence and Pelvic Floor Surgery guarantees students, in addition to the most rigorous and up-to-date education, access to a Postgraduate Diploma issued by TECH Global University.

“

Successfully complete this program and receive your university qualification without having to travel or fill out laborious paperwork”

This private qualification will allow you to obtain a **Postgraduate Diploma in Surgery of Urinary Incontinence and Pelvic Floor** endorsed by **TECH Global University**, the world's largest online university.

TECH Global University is an official European University publicly recognized by the Government of Andorra ([official bulletin](#)). Andorra is part of the European Higher Education Area (EHEA) since 2003. The EHEA is an initiative promoted by the European Union that aims to organize the international training framework and harmonize the higher education systems of the member countries of this space. The project promotes common values, the implementation of collaborative tools and strengthening its quality assurance mechanisms to enhance collaboration and mobility among students, researchers and academics.

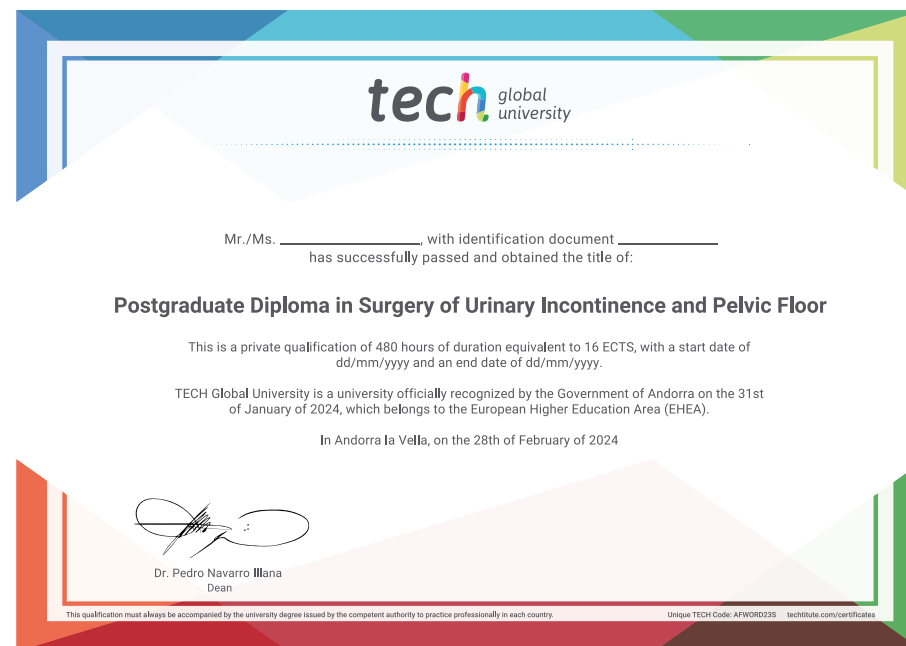

This **TECH Global University** private qualification is a European program of continuing education and professional updating that guarantees the acquisition of competencies in its area of knowledge, providing a high curricular value to the student who completes the program.

Title: **Postgraduate Diploma in Surgery of Urinary Incontinence and Pelvic Floor**

Modality: **online**

Duration: **6 months**

Accreditation: **16 ECTS**

*Apostille Convention. In the event that the student wishes to have their paper diploma issued with an apostille, TECH Global University will make the necessary arrangements to obtain it, at an additional cost.
